The most important asset we have is our family.

Sallen Law is a different type of Estate Planning law firm. I started Sallen Law in order to give my clients a new and better experience. As a client, I know you have many choices of who to trust with helping plan your family's legacy. Being knowledgeable and cost effective is not enough. What makes my firm different is the personal interaction. I take time to learn about you, your family and how your family relates to each other. Being aware and sensitive to these dynamics while producing high quality document is the core of Sallen Law. I invite you to contact my office to find out more about how to attain a true peace of mind.
